Practical Courses are held aboard our Westerly Centaur Training Yacht 'Bambi' moored at our River Hamble base in Hampshire. These can be held over a week (Sunday evening to Friday afternoon) or over three weekends (Friday evening to Sunday afternoon in each case.)

Rather than have courses on dates which you cannot make, we tailor our courses to dates to suit you! Therefore if you wish to participate in a practical course, please let us know whether you prefer a week or three weekends and any preferable dates. The cost for a practical course is £300.00 for the week or the three weekends. Members of ASTO recognised organisations benefit from a reduced rate. Visit our web site to check availability of Bambi. If you are interested please indicate below.
